

Förändring sedan föregående år i Uppsala län

Andelen biståndstagare...

- ...ökar
- ...minskar
- ...står stilla

The map displays the 29 municipalities of Uppsala län, each colored according to the change in the share of welfare recipients compared to the previous year. The legend indicates three categories: red for an increase, teal for a decrease, and grey for no change. The distribution shows a mix of all three categories across the region.
