

Bostadsläget i Norrbottens län

The map displays the housing situation across the municipalities of Norrbotten county. The legend indicates four categories: Underskott (red), Balans (green), Överskott (blue), and Inget svar (grey). The red areas (Underskott) are primarily located in the northern and central parts of the county, including Umeå, Umeå kommun, and several municipalities in the central region. The green areas (Balans) are found in the western and southern parts, including Luleå, Umeå kommun, and several municipalities in the central region. The blue areas (Överskott) are located in the southern part of the county, including Umeå kommun and several municipalities in the southern region. The grey areas (Inget svar) are not visible on the map.
